ACTIVITIES

I thought graduation was going to be more formal.

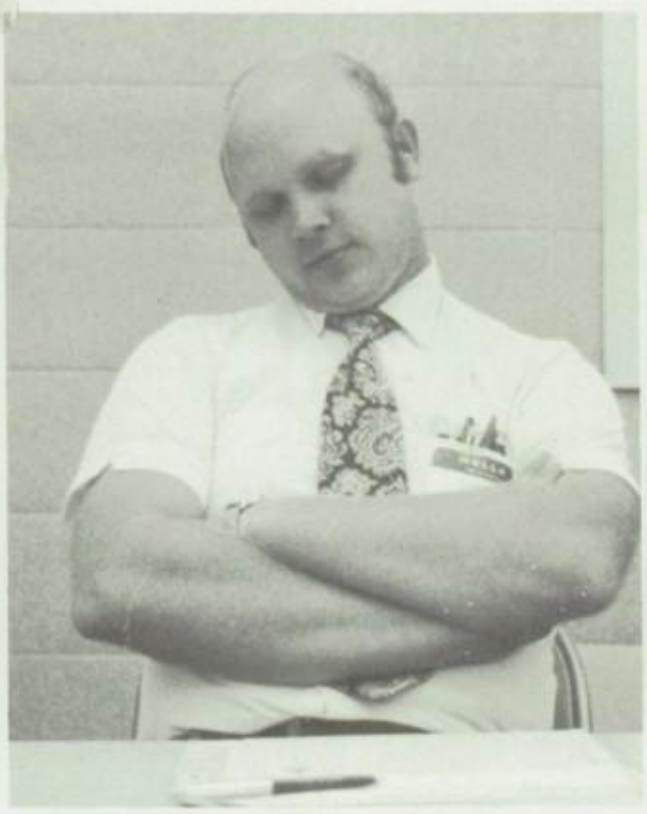
A Six-Year Tradition

On Tuesday, August 28, 1979 Maumee High School students for the sixth year in a row got to participate in self-scheduling. Maumee is one of the luckier schools in the area where this opportunity is available to the students. We got to pick our teachers and class periods. This year there were no major problems, nothing that couldn't be worked out. Council members and class officers helped the teachers all day. Some seniors even tried to earn some extra money by selling swimming pool passes, elevator keys, and locker carpeting! All in all this year's self-scheduling ran smoothly and successfully!

"Mrs. Sweet did what?"

"I thought I had to hold this name tag on."

"Would someone pass the pitcher of milk please?"



Rip Van Dlugas!

"How did I get signed up for swim class?"

Magazine Drive

A traditional event at Maumee is the annual Magazine Drive. The proceeds from the drive go into the athletic fund to buy equipment and uniforms for the athletic teams and is a great help. The Drive was very successful due to the students' great enthusiasm. Present was the almost traditional rivalry between Mr. Kikolski's and Mr. Lowry's classes, with Mr. Kikolski's Seniors winning with a record total. The high salesman this year was Ellen Cleghorn, with Mike Krieger in second place and Kris Schultz as the third high salesman.

Fathers Escort Daughters

Maumee's 1979 Homecoming was considerably earlier than homecomings of the past. Possibly a new tradition was started at MHS where the fathers of the girls in the court escort them onto the field Friday night. Activities began Friday with the distribution of Senior mums and underclassman carnations. Then this year's Queen and her court were given sashes and presented at a pep rally Friday afternoon. This year's freshman attendant was Jill Russel, sophomore attendant was Debbie McBride, junior attendant was Karen Heinze, senior attendant was Shari Theil, Penta attendant was Julie Berry, and this year's Homecoming Queen was Jodi Forrey. A nice touch to 1979's Homecoming activities was the football team's victory over Rossford, 42 to 0.

The senior class sponsored the Homecoming dance, Saturday, September 29, 1979. The theme of the dance was "Paper Moon," and featured **Equinox,** a band well liked by those who attended the dance. Again the court was announced and presented with necklaces. The dance as well as Friday's activities made Maumee's 1979 Homecoming an enjoyable tradition.

"Look, you can only take one of us home!"

Do you hear someone snoring?

Music was supplied by **Equinox**, a well liked band.

Toledo Troopers Look Out!

This year's annual girl's Powderpuff game was played fairly and successfully which guaranteed the continuing of this tradition in the years to come. Played on October 10, 1979 the game pitted the Seniors-Freshmen against the Juniors-Sophomores. The game ended with a victory for the Senior-Frosh, 26-16. Coaches for the Senior-Frosh were varsity football players, Brad Foreman (Head Coach), Greg Shank, Roger Alexander, Mark Barghini, Jim Nied, Jeff Earle, Jim Burkett, and John Tillman. Coaches for the Junior-Soph were varsity football players, Dan Haley (Head Coach), Doug Austin, Keith Backus, Mel Goatley, Mark Hover, Al Weckle, Mark Wolf and Tom Wyckhouse. Officials for the game were Mr. McDermott, Mrs. Sweet, Mr. Conroy and Mr. Tomasic. Announcing at the game was done by Mr. Osnowitz and Phillip Brown. Something new this year was the meeting of the two teams in the cafeteria after the game for a pizza party. Pizza and pop was sponsored by Y-Teens and dues collected from the players. Credit goes to Teri Biggs (President of Y-Teens) and to Mrs. Keller for organizing the game and party and for making a dying tradition alive again.

Senior-Frosh outpatients!

"You go in as soon as they drag her off."

"Grab what flag? There isn't one on the pole!"

No Teri, you're supposed to get the other team's flags!

"Dag Nabbit! Let's get psyched!"

"Look Al she lost her jersey."

"The next Country Music Award goes to . . ."

"Which coach do you think is the sexiest?"

These girls are really stacked!

"They didn't tell me a center had to do all this!"

The best pass defense is a quick draw.

To the Victors goes the spoils. (spoiled pizza!)

BYOB — Bring Your Own Blood

Dracula came to Maumee High School at a very opportune time, right around Halloween. Performances were given Saturday October 27, 1979 at 8:00 P.M. and Sunday October 28, 1979 at 7:00 P.M. Other than a little problem with the flying bats, the play was very enjoyable and entertaining.

Bye, Bye Bell!

A strong tradition here at Maumee that goes a long way back is our rivalry with that school across the river, Perrysburg. We celebrate this rivalry the whole week before the football game. This year it started Monday, October 29, 1979 with "pajama" day, Tuesday was "favorite color" day, Wednesday (Halloween) was "anything goes" day, Thursday was "twinkie" day, and Friday was traditional color day. There was a problem with people's different interpretations of "anything goes" day, but other than that this year's P-Burg week was very successful. Participation was great all week and even though we lost the game and the ding-dong Friday night, our Panther spirit was still super with a big turn out for the car caravan from Maumee to Perrysburg before the game. Student Council sponsored a prize which went to the speech team for having the best decorated car in the caravan. Another attraction of the week was the baby picture contest sponsored by the cheerleaders where students had to identify ten varsity players' baby pictures. Maumee High School just wouldn't be Maumee High School without its traditional P-Burg week!

What a Bunch of Turkeys!

A tradition started last year is the student council **Turnabout Turkey Trot.** This year it was held November 24, 1979 2 days after Thanksgiving, at Luke's Barn. Music was supplied by the **Music Circle,** a band better known as "Mr. Racz's band." Voting for a King Turkey and his court was done at the dance. Frosh Turkey was Randy Dinkens, Sophomore Turkey was Jim Murphy, Junior Turkey was Al Weckle, Senior Turkey was Rick Gierying, and this year's King Turkey was Ted Cedagren.

A Winter Carousel of Silver Bells

Maumee High School's Winter Dance was held Saturday, December 8 in the cafeteria. Student Council sponsored the dance with a duo-theme of "Winter Carousel" and "Silver Bells." Blue ribbons with bells and a card with the date, time, and theme of the dance were handed out to each couple as they entered the "Winter Carousel of Silver Bells." A band new to Maumee, "Artworx" put on an entertaining show and everyone enjoyed dancing to them. The Winter Court finalists were presented, and the winners, which were kept secret until that night, were announced. The Princes and Princesses were presented with blue velvet sashes with bells, and the King and the Queen were crowned and presented with sashes and scepters. Freshman Prince and Princess — Gerald Mitchell and Claudia Schrapps, Sophomore Prince and Princess — Dick Teets and Allison Masters, Junior Prince and Princess — Dan Haley and Regan Holland, Senior Prince and Princess — Jim Burkett and Amy Hoffman, Penta Princess — Connie Moulton. This year's Winter King and Queen, voted on by the whole student body— Scott Harlow and Nancy Lindsay.

Music was supplied by Artworx.

Maumee's First Broadway Musical

On March 28, 29, and 30 Maumee High School presented its first musical, "Sound of Music." The play was a huge success due to the help and cooperation of many, including the Drama, Music, Athletic, and Industrial Arts Departments. A large cast of high school and grade school students sang, danced, and acted to make an annual musical an almost certain tradition in the years to come.

An Irish Spring

On March 15, 1980 Student Council sponsored "Irish Spring," a turnabout dance. Again the girls were given a chance to ask the guys. **High Society** was the featured band, and cookies and punch were served to quiet the munchies. A good turnout, good music, and good spirits made this year's Spring Turnabout something to jig about!

Everyone likes the slow and romantic ones!

"Who's laughing, I don't have any money!"

"I won't kiss you, unless you shave."

Dancing with a special person.

Beth seems to like the name Andy!

"I don't know, Scott, I think she wants my flower!"

Holding hands always makes dancing a lot easier, and more fun too!

Watching can be as fun as dancing!

Dan, open your eyes!

Even chaperones enjoyed the evening!

The band was well liked by all.

A Place in the Sun

Maumee High School's 1980 Junior-Senior Prom was held Saturday, May 10, 1980 in the T.U. Student Union Hall. The dance sponsored by the Junior class was a great success with everyone dancing to the music of Equinox, a popular band with Maumee students. The hall was nicely decorated to express the prom's theme of "A Place in the Sun."

Ah . . . those slow and romantic ones!

Maumee High School's 94th Commencement

The graduating **Class of 1980** held its commencement exercises Sunday, June 1, 1980, at the Masonic Auditorium on Heatherdowns Blvd. The class of 316, was Maumee High School's 94th class to be graduated. Each Senior girl was presented a yellow silk rose with purple ribbon made by the Senior girls. Jodi Haney, Senior Class President, delivered her speech, "The man in the Glass." The participants in Youth Speaks were Kim Cole who sang Mahogany, Ginni Schiller who sang "Babe" and Diane Haskins who sang the Class song, "If You Remember Me." While the students sang, a slide presentation showed the Class of 1980 past and present. Senior recognitions were given by Dr. Rolf, and the diplomas were presented by Mary N. Connel, President of the Maumee Board of Education.

Cafeteria Workers: (l to r) Jeff Earle, Brad Foreman, Mark Barghini, Ted Cedargren, Jim Nied, Jim Burkett, Scott Harlow.

Cheerleaders

The 1979-80 cheerleaders had a very busy season. In addition to making and putting up spirit signs, making locker signs and treats, planning and carrying out pep assemblies, doing various service projects, and promoting general school spirit, the cheerleaders also conducted money making activities such as candy sales, cheerleading clinics, and ribbon sales. Under the leadership of Coach Doreen Fink and Captain Beth Turner, the squads became a family who worked well together and also had a lot of fun. At camp in Hueston Woods, the Varsity squad won the spirit award and a superior rating during competition. The Reserve and Freshman squads went to the University of Toledo where they placed first and second respectively in competition. Later in the year, all three squads competed in a state-wide tournament in Columbus, doing various floor cheers and a pom-pon routine.

This year's Varsity squad included Captain Beth Turner, Shelly Adams, Kim Cole, Karen Heinze, Nancy Lindsay, and Shari Mason. The Reserve squad was made up of Holly Govito, Becky Houchins, Amy Kerschner, Shelli Labahn, Nancy Littrell, and Lisa Metzger. The Freshman squad included Sandy Garg, Stacey Labahn, Mary Moritz, Jayne Roller, Jill Russell, Jody Schultz, and Emily Weber.

This was the first year that the cheerleaders had officers other than captain. Officers were the following: Nancy Lindsay — Vice President, Kim Cole — Treasurer, Shelly Adams — Recording Secretary, Lisa Metzger — Corresponding Secretary, Amy Kerschner — Publicity Chairman, Shari Mason — Parliamentarian, Karen Heinze — Greeting Gal, and Nancy Littrell — Locker Sign/Treat Chairman.

Computer Club

The computer club, one of Maumee's most active organizations, is open to any student who is interested in computers. During exam week in January, club members sold bio-rhythm charts to students, plotting the students' emotional, physical, and mental highs and lows. In February, the club sponsored an open house in the library for students, teachers, and community members, where club members demonstrated programs and ways to use the school's PET computers. Other club activities included field trips and regular meetings where members learned to use computers.

Dance Club

The dance club provided entertainment this year at the school play *Dracula* when members danced between acts. Miss Ash advises this club and members learn a variety of new dance steps and rhythms ranging from modern dance to jazz dance to interpretive dance.

Dance Club Members Include: Row 1: Miss Ash, Heather Barrios. Row 2: Becky Houchins, Kim Cole, Jill Mechel, Nancy Liltrell, Melissa Frizzell, and Ann Churski.

Debate Team

The Debate Team did well in three of their tournaments this year. At Sylvania Northview, Brenda Laux, Amy Czerniak, Laura O'Connor, and Ann Cross won first place in the JV competition. At the tournament at Heidelberg College, the team of Dave O'Connor, Brett Dauer, Laura O'Conner, and Amy Czerniak won second place. Brenda Laux and Sheri Pocisk won a first in the varsity competition at the tournament that Maumee hosted.

The awards banquet for the Debate team was held at the Cape House on May 14, and the following awards were presented: Special Award to Dave O'Connor, Debater of the Year to Sheri Pocisk, Novice of the Year to Ann Cross, and Most Improved Debater to Amy Czerniak.

Drama Club

Drama club is made up of all students involved in putting on the school's plays. The club is not just for actors, as it also includes the backstage crews responsible for make-up, lighting, costumes, publicity, scenery, and student directors. This year's Drama banquet was held at Max and Erma's on Tuesday, May 13, 1980. Winners of awards were Dave O'Connor (best actor), Robin Weyandt (best actress), Rhonda Vinson and Kim Cole (best minor actress), Nancy Littrell (best supporting actress), Steve Antal (best minor actor), Jeff Gilliam (best supporting actor). Awards were given to Jeff Gilliam and Robert Gentry for most contribution as a Senior and an underclassman. Two students were inducted as National Thespians (Drama Honor Society), they were Penny Weckle and Nancy Littrell.

Matmaids

Matmaids are girls who help support the wrestlers. This year there were three different squads: Varsity, Junior-Varsity, and Freshman. Varsity girls are voted on by the varsity wrestling team. The girls keep score at the matches, give the wrestlers refreshments and add all around spirit for the team. Individual trophies for members of this year's N.L.L. champion wrestling team were presented to the wrestlers by the matmaids. Matmaid queen was Julie Berry, and Penny Weckle was voted outstanding Matmaid.

Newspaper Staff

The *Panther,* Maumee's school publication, is published once a month and distributed to students on a Friday. A lot of hard work goes into each issue. Stories must be planned, researched, and finally written.

The copy is then typed, proofread, and taken to the *Perrysburg Messenger-Journal* to be organized into what becomes the paper. All of this work is done by the newspaper staff, members of Mr. Stephen's fifth period journalism class.

National Honor Society

The National Honor Society is composed of students who have maintained a high grade point average while participating in extra-curricular activities. This year's fund raiser was a raffle held during the month of January. Every other day, small prizes were raffled off until the grand prizes, a ten-speed bike and a pair of skis, were raffled off at a basketball game. Members of the Honor Society helped the Guidance Department plan the annual College Tea which was held in the library. All college bound Seniors were invited to the tea to listen to former members who were presently attending college. The new Senior, Junior, and Sophomore members were inducted Tuesday, May 13, 1980. This is the first year Maumee High School has inducted sophomores into the Honor Society, because of the number of eligible students in this class.

Marching Band

The Maumee Panther Marching Band is as much a part of athletics, especially football, as the coaches, athletes, and cheerleaders are. Band members begin practicing in August to get ready for the first football game in the fall. The band, in addition to playing at athletic events, attends contests such as the Solo and Ensemble Contest, and holds concerts. To raise money, band members sell grapefruit and oranges, much like band members in the comic strip Funky Winkerbean. At right is band director, Mr. Brick, in a thoughtful mood.

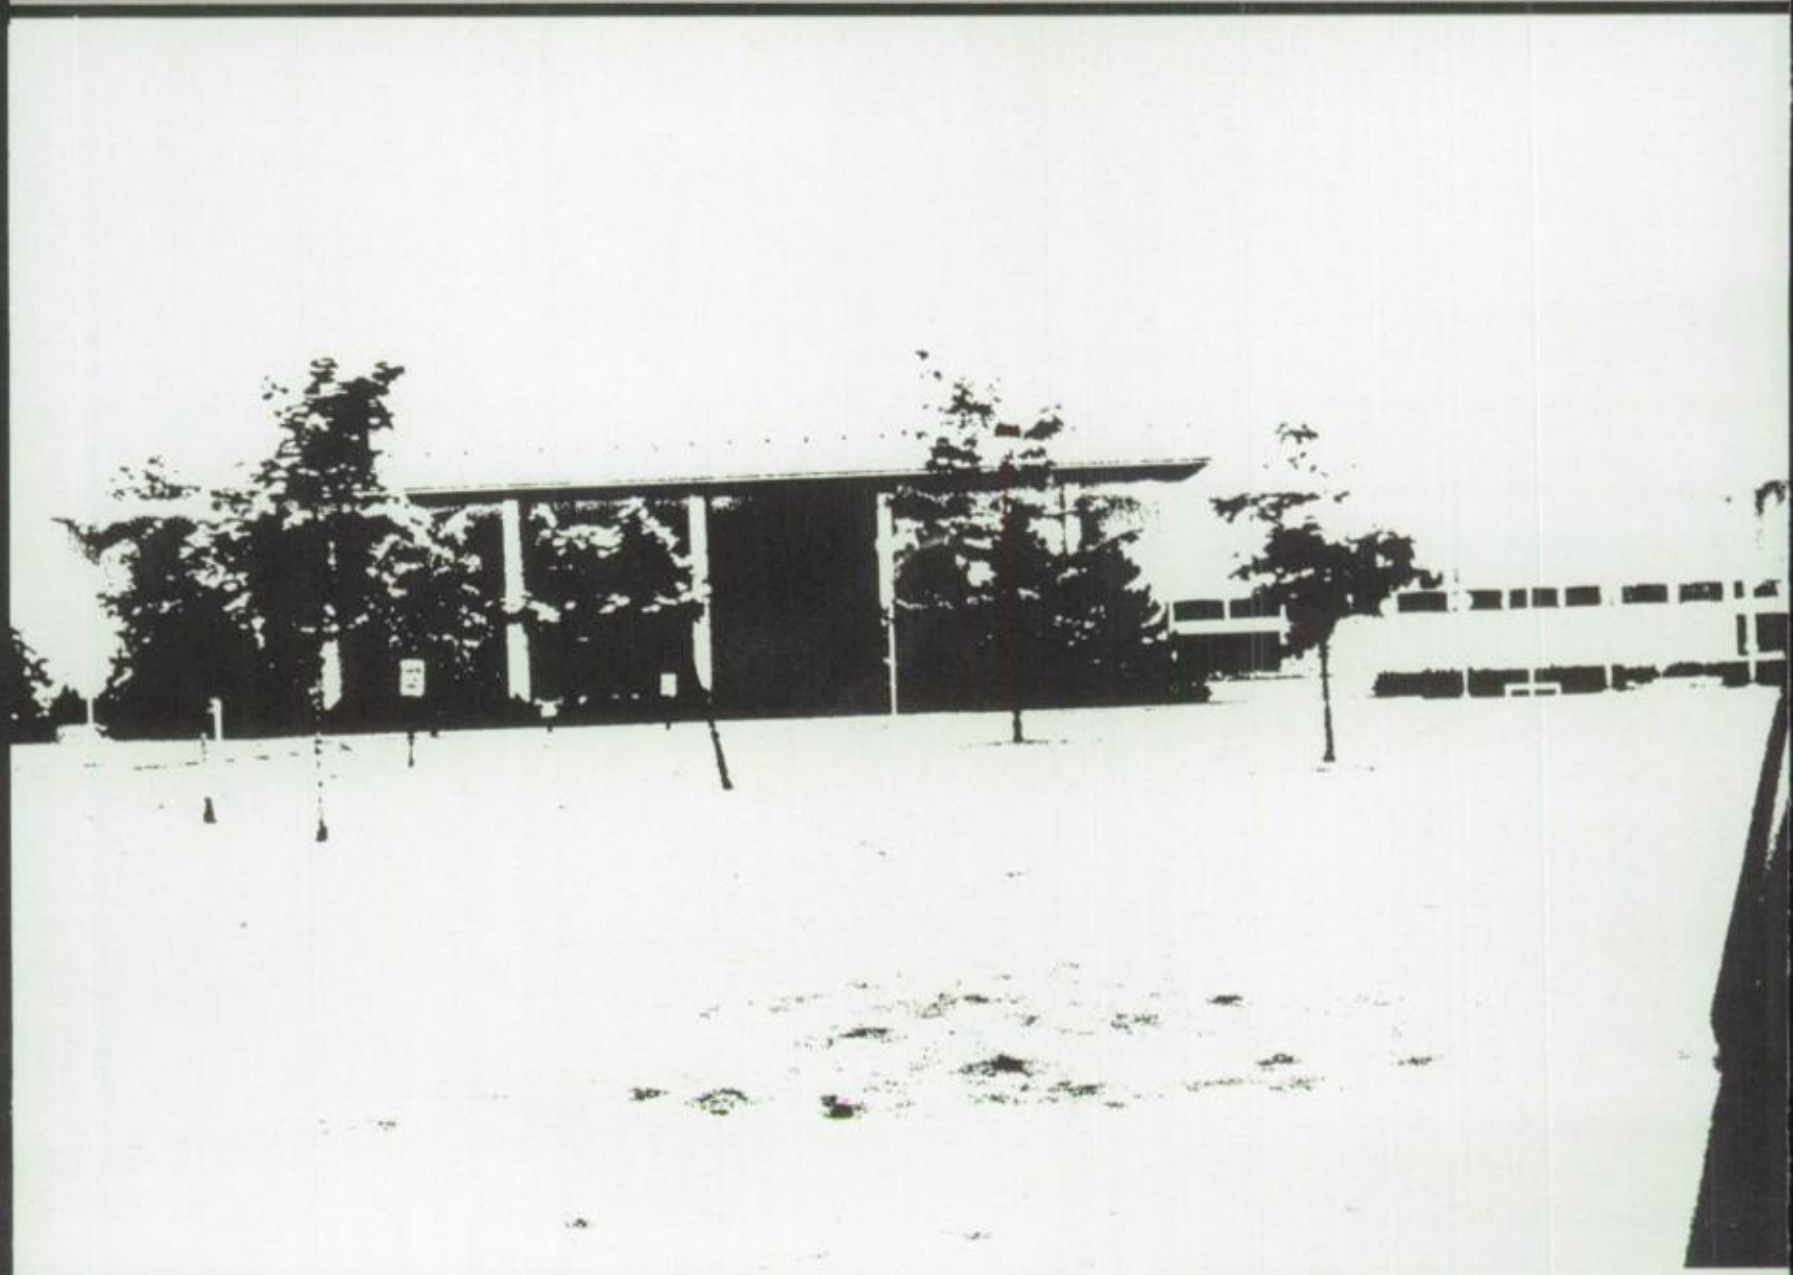
SENIORS



Senior Class Officers

Senior Class Officers (l to r): Patti Albright, Rhonda Wilson, Jodi Haney, Shelli Moffett.

Senior Class Officers are elected in the spring of their Junior year. With the exception of the Homecoming Dance in the fall, the officer's main responsibilities come toward the end of the year. Class elections, Senior Class poll, Senior Breakfast, the pizza party after graduation, the Senior all night party after graduation, and the Senior class gift to the school, all are organized by the class officers. In addition, this year the officers sold "Class of '80" signature T-shirts.

Youth in Education

Fifty-six seniors participated in Youth in Education Day on May 21. This is a traditional part of senior week and each year has seen an increase of students involved in this activity. To be eligible, a student must have 25 seniors sign a petition plus the teacher, administrator, or staff member he wishes to "be" that day. It is well received by the other students and a good experience.

Students Participating:

Mrs. Arquette — Cathi Heinze; Mr. Arthur — Diane Haskins; Miss Ash — Penny Weckle; Mr. Black — Phil Brown; Mrs. Bock — Lori Ciamacco; Mr. Boyles — Mark Zawodny; Mr. Brick — Lindy Hoffman; Mr. Burns — Rick Nesbitt; Mr. Cellio — Sharel Schweitzer; Mr. Conroy — Jodi Forrey; Mr. Doak — Ed King; Mr. DuGai — Abby Osborn; Mrs. Euton — Amy Hoffman; Mrs. Fink — Kim Rodgers, Mr. Fitzpatrick — Ricki Gierying.

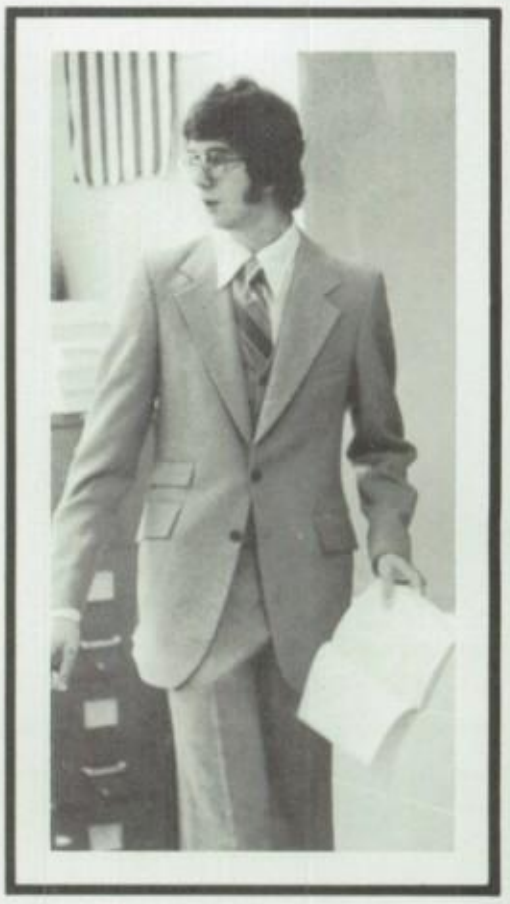
Mr. Foreman — Brad Foreman; Mr. Hafemann — Sarah Oliver; Miss Healey — Michael Peirce; Mrs. Hess — Kim Cole; Miss Huffman (P.E.) — Dianne Anderson; Miss Judd — Diann Micka; Mrs. Keller — Shari Robinson; Mr. Kikolski — Ellen Cleghorn; Mrs. Kohler — Kelly Kitzler; Mrs. Kretzinger — Lisa Ash; Mr. Kristenak — Tony Pauken; Mr. Kuntz — Dave Mermer; Mr. LaFountaine — Jenny Hofstetter; Mr. Lauber — Dawn Dennis; Mr. Lowry — Linda Brassil.

Mr. Martin — Lori Banyas; Miss McConahey — Shari Thiel; Mrs. McCormick — Teri Biggs; Mrs. McGuire — Vince Weis; Mr. Molter — Teri Kuhl; Mr. Morin — Lori Streiffert; Mrs. Myers — Ginnis Schiller; Mrs. Norcross — Eric Jordan; Mr. Osnowitz — Rhonda Wilson; Mrs. Parker — Mary Mitten; Mrs. Peio — Lee Ann Bires; Mr. Repp — Mike Huber; Mr. Roman — Dave Metzger; Mr. Ryu — Jodi Haney; Mr. Schlaefer — Karen Davenport.

Mrs. Schlievert — Patti Albright; Mr. Smith — Beth Turner; Mr. Stephens — Gary Meek; Mr. Stumpf — Susan Betz; Mr. Tadsen — Andy Smith; Mr. Tomasic — Dan Miller; Mrs. Weber — Carrie Jo Vislay; Mr. Welch — Sarah Wilkinson, Mr. Welfle — Tony Smith; Mrs. Whitehead — Kim Ferguson; and Mr. Worster — John Alderman.

Andy Smith is Mr. Tadsen.

Kelly Kitzler for Mrs. Kohler.



Mike Peirce explains calculus to Miss Healey's class.

Abby Osborn is Mr. DuGai.

Amy Hoffman teaches French for Mrs. Euton's classes.

Tony Pauken as Athletic Director and Phil Brown as Principal relax after a hard day in the faculty lounge.

One of the rewards is to eat in the faculty lounge — although the food's the same.

Left: Diane Haskins takes over for Mr. Arthur. **Right:** Mike Huber for Mr. Repp in Physics.

Left: Teri Biggs is bookkeeper for the day as she sits in for Mrs. McCormick. **Below** is Susan Betz teaching Mr. Stumpf's classes.

Like father, Brad Foreman teaches class as he takes over for Mr. Foreman.

No, it's not Mr. Lowery that Dan Miller is replacing, it's Mr. Tamasic.

JUNIORS

Class of 1981

The Junior Class sponsored various activities in order to raise money for the Junior-Senior Prom. These projects included the carnation sales and delivery on both Sweetest Day and Valentine's Day. Other activities included a car wash, bake sale, and a paper drive. Julie Bialorucki was the Junior Class President; Jane Herrick, Vice-President; Krista Kline, Secretary, and Treasurer, Star Hadley. The junior class activities were advised by Mr. Lowry and his assistant Mr. Kikolski.

THE PANTHER

ANNUAL CHILI SUPPER
Tonight - 5:00-7:00 p.m. in cafeteria
Sponsored by MHS Choir

Many new faces among faculty

L. to R., Mr. Whisler, Mr. Smith, Mrs. Rakestraw, Mr. Roman, Mr. Hafeman. Not Pictured: Mr. Burns, Mrs. Ortloff, Mrs. Linebarger

Mr. Whisler comes to us from Ohio University where he was graduated in 1978 as a health education major. Last year he did some substituting in the Fremont schools and also some bartending in his free time.

Now he's at Maumee and likes it very much. "Everything's first class here at Maumee," says Mr. Whisler.

Mr. Whisler's duties at the high school are quite varied. During the school day he's a mild-mannered ISS instructor, but in the afternoon he's Maumee High Schools' athletic trainer, a job that he's had experience in by taking courses at Ohio University and being a trainer in high school. He enjoys both of his jobs. He's only sorry that he doesn't get to meet a variety of the students at Maumee, as he is in the ISS room all day.

His hobbies are reading, racquetball, and backgammon.

Mr. Smith

Mr. Smith? The name sounds familiar. Well that could be because he's been here before. Not only was he a substitute teacher here at Maumee last year, but he was a 1974 graduate also.

Mr. Smith attended Bowling Green State University for 4 years and received his undergraduate degree in Social Studies. His majors there were History and Sociology.

He was a student teacher at Eastwood High School in 1977. This past year he was a substitute teacher at Maumee, Perrysburg, and Rossford.

Presently, Mr. Smith is working toward receiving his masters degree in guidance counseling at BGSU.

When asked how he liked teaching at MHS he said it was both fun and challenging. He plans on teaching for 3 or 4 more years, then going into guidance counseling.

Mr. Smith is head of the Maumee Varsity Bowling squad and assistant student council advisor.

Mr. Smith says that Maumee High has changed since he attended school here. He feels the students in general are more concerned with school, have a lot more school spirit, and the overall appearance of the students is better. He also said he felt the school was more organized. He says, "I feel ISS is a definite improvement because students now no longer have an opportunity to have a 3 day vacation at home, now they have to serve out the penalty in school."

Mr. Smith enjoys music, sports and the outdoors. He really likes to keep in shape by running 5 miles everyday.

MRS. RAKESTRAW

A new teacher in the science department this year is Mrs. Rakestraw, who teaches two ninth grade subjects; Ecology and Earth Science. Mrs. Rakestraw was born in Wurzberg, Germany and lived in many different cities during her childhood. She attended Wooster College where she received a B.S. in Geology. Prior to teaching at Maumee, she taught for three years in Mentor, Ohio, where she also coached a basketball team.

In addition to being a science teacher, Mrs. Rakestraw is the J.V. Volleyball coach at Maumee. This is her first year of being involved with the sport whose record is 4 and 5, and is enjoying it very much.

Her hobbies include tennis and rock hunting. When asked if she found anything unique about our school, she said she thought the back smoking areas were a good idea, and an original solution to a controversial problem.

MR. ROMAN

Mr. Roman, a new industrial arts teacher, spent his senior year at our rival school, Perrysburg - or as Mr. Roman puts it "that school across the bridge." Mr. Roman is originally from Kane, Pennsylvania and attended Bowling Green with a degree in Industrial Arts. He taught a year at Bowling Green and a year at Perrysburg before coming to Maumee. When asked, he said he enjoys Maumee very much and is impressed with our school spirit. He also likes the facilities our school has for his industrial arts classroom. In college he was in intramurals wrestling and is presently coaching the freshman wrestling team. In his spare time he enjoys photography. He once taught it at his, and would like to see a photography club formed in our school.

MRS. LINEBARGER

Mrs. Linebarger, the new teacher in the math department, comes to us from Independance, Missouri. She acquired her education throughout the state of Missouri, including Missouri State where she received her B.S. in education, the University of Missouri Columbia where she was a teaching assistant, and the University of Missouri Kansas City where she received her Masters Degree. Mrs. Linebarger enjoys bicycling, sewing, painting with water colors, and raising Siberian huskies. She is also this years assistant cheerleading advisor.

New instructor in Language Dept.

Mr. Hafemann is part of the new staff here at Maumee High School. He is working in the language department teaching Spanish I, and he is also certified to teach French.

Mr. Hafemann attended Montana State University where he earned a Bachelor of Arts and Modern Languages. Maumee is the first school he has taught at. He is the advisor of the International Club and is also studying for a certificate as an interpretor for deaf children.

Some of Mr. Hafemann's hobbies are studying Latin American Folk Singing and Dancing at B.G.S.U. In his spare time he cooks, and plays racquetball and soccer. He has spent some time in South America as a Missionary. He also enjoys being a translator for deaf children.

Mr. Hafemann said he enjoys teaching and ended the interview with a little message for the students of Maumee High School. "Here is a proverb that will help all students in their school career, 'En boca callada no entran moscas'."

If anyone wishes to know what this bit of information is, you may ask one of Mr. Hafemann's students or see Mr. Hafemann in room 222.

New Band Director

Many changes have been made this year in the Band, one of which is the new director, Mr. John S. Brick. Mr. Brick attended Florida S.U., U of Florida, received his Bachelor's Degree in music from U. of Tampa, and his Master's degree from N.E. Louisiana. He has an extensive musical background, which includes being assistant director of bands at N.E. Louisiana University and coordinator of River Oaks High School Band in Monroe, Louisiana.

Mr. Brick commented that the Maumee High School Band is fortunate to have such an outstanding music facility, excellent band parents, and supportive administration. He adds that he has nothing but praise for all the support that has been given him and finds it enjoyable to work with a faculty that is so friendly. Mr. Brick spends his spare time playing tennis, lifting weights, and reading W.W. II novels.

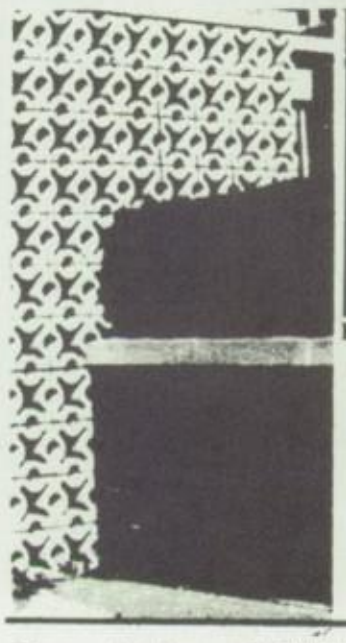
MRS. ORTLOFF

Taking Mrs. Chabon's place in the English department is Mrs. Ortloff a native Toledoan. She attended Start High School and Findlay University, where she received her Bachelor of Science degree in English. Prior to teaching at Maumee, she taught at Findlay city schools for one year and Otsego for three years.

She enjoys sewing, gardening and babysitting her ten month old baby.

This is her second week at Maumee and she is getting along well. She says it is because the other faculty members are so helpful.

From a ladder to a seat



Roy Casper relaxes on new bench after a hard day at school

Two of the most prominent physical features of the High School building were removed this week. The curved stone partitions that flanked the main entrance have been dismantled and converted into low benches so that students no longer have to perch precariously on the ledge outside the teacher's lounge and damage the bushes.

Although some students protest that the stone grill work had become almost a symbol of our school, others approve of Maumee's "face-lift".

Mr. Black, Principal, said that the stones were getting weak and crumbling away, so something had to be done.

Have you looked in the courtyard lately? No! It's not the Pink Panther! It's just our Mighty Mascot has gone bananas with the price of gold at $400 an ounce, Pete decided to get a new coat; a flashy gold one.

New tutor at MHS

There's a new face in the music area, but its not a new music teacher. It's Mrs. Kinsel, who was hired into the learning disabilities program as a tutor. You may recognize Mrs. Kinsel because she has substituted here many times. Mrs. Kinsel grew up in Maumee and was even a graduate from Maumee High School. She attended Bowling Green State University and received a Bachelor of Science degree, and her student teaching was completed at Rossford High School. She was one of the originators of the New Cross Country Ski Club and her hobbies include reading and playing bridge.

Every Seven Years....

Beginning last Tuesday, the North Central Evaluation Team inspected our school and will be rating it according to Class A High School standards. This only happens once every seven years, and many students have been asking what the program is all about and why it was initiated.

North Central is an independent accrediting association which is sponsored by the state. It inspects Senior High Schools and suggests ways to improve them. A visit from North Central, therefore, is a time of self-evaluation for the teachers; a "soul-searching" of their particular department. Maumee teachers have been meeting for about nine months to discuss their courses, find out how to improve them, debate and revise the goals of each class and department, decide how they will go about reaching these goals, and determine what they've accomplished toward the goals set at the last evaluation. If the school passes inspection and remains a Class A institution, its diplomas will then be accredited everywhere. The evaluating team is made up of educators from other high schools and colleges throughout the midwest, (mainly local), who use all facets of a school's program as a basis in determining its rating - in the 1973 evaluation, reports ranged from their opinions on Maumee's clubs and student council to a student survey on the guidance department.

The inspection brings about many changes for the better in Maumee's curriculum. The results of the last evaluation include more English courses designed for non-college-bound students in a variety of interests, classes in drama, speaking and technical theater, co-educational home economics, courses in consumer education and geography, and a variety of special education services, among others.

What is the purpose of maintaining such rigid quality standards in our school system? According to North Central, ". . . it is our belief that secondary programs should prepare students to live responsibly in a democracy where social order and progress depend on an informed and enlightened citizenry. To that end, a meaningful program is offered to meet the needs of the individual student; to help each student grow intellectually, vacationally, emotionally, physically, socially and spiritually to the highest level he is capable of attaining."

This is the third time that Maumee has undergone inspection by North Central, and The Evaluating Team has always been pleased with the attitude of teachers and students. And now you know why Maumee High School has been on its good behavior for the past week.

THE PANTHER

THANKSGIVING GREETINGS

Phil Albert, Robin Weyandt, Bill Rioux, and Tracy George ready to drive a wooden stake into Dracula's heart.

Maumee High School's Drama Department Presented a stage version of Brahm Stoker's "Dracula" on October 27 and 28 in the cafeteria. The play had a fair turnout Saturday night, but Sunday's atendance was almost doubled.

The action took place in England, as the sets showed, with fog and realistic cobwebs setting a dreary mood. Bats flew from ceiling, with the exeption of the ones that got stuck, and howling wolves were chained backstage. The acting abilities demonstrated by the performers were very good, except for a few first-night jitters. During the intermissions, the dance club entertained the audience. All in all, it was a very creative and different evening.

Quiz Bowl Defeats Libbey for Second Win in City League

On Monday, November 12, the Maumee High School Quiz Bowl Team soundly defeated Libbey's team by a score of 160 to 160. This win moved our record for the season up to two wins and only one loss. Participating in this match were four-year team members John Estell and Sue Ewing, two-year members Dan Balzer and Shelli Labahn, and first-year members Bill Partsch and Dan Stewart. Our next match will be on November 26 against S. Francis.

Career Counselor

The new career counselor at Maumee is Mrs. Janis Dienes. Mrs. Dienes enjoys sewing, racquetball, and jogging. She received her Bachelor's degree at Bowling Green State University in Home Economics Education, and her Master's degree in Career Education. She is currently at Toledo University working on a Doctorate in Guidance.

When asked the objectives of her new position, she gave two major goals: to find out what teachers are doing to help students find career justification, and to help teachers plan for the students' future.

Also a possible future plan is called "shadowing". It involves placement in various types of careers to give students a better idea of what demands are involved by meeting career specifications.

Computer Extravaganza

Tomorrow, Saturday, November 17, 1979 there will be a computer meeting at Maumee High School. Over 200 people in Northwestern Ohio are invited and it is expected there will be a turnout of about 50 people.

Among the speakers from Maumee are Mike Peirce, Mr. Dlugas, and Mr. Repp. Mike Peirce will be speaking at 10:30 on Computer Graphics; Mr. Dlugas will follow Mike with a talk on computers for beginners. Mr. Repp will speak at 11:30 on Computer Music, and assisting Mr. Repp with a music demonstration will be John Estell.

From 9:00 to 12:30 there will be a display of various micros from the Computer Store. Good Luck to those involved.

Congratulations Inductees

Congratulations to the new Senior members of the National Honor Society: Julie Burdo, Jane Colley, Dawn Dennis, Janet Glenn, Debbie Grames, Teri Kuhl, Diann Micka, Lynda Penchoff, Kyle Sass, Rich Telljohann, Penny Weckle, and Sarah Wilkinson. The inductees were honored with a tapping ceremony and breakfast at the Original Pancake House on Thursday, November 8. The members are chosen on the basis of academic achievement, activities, and classroom attitude.

MHS Welcomes Exchange Students from Germany and Sweden

German Influence

Visiting the United States through the Y.F.U. this year are two German students. Their names are Beate (Gina) Ahrens, and Imke (Imy) Janiesch.

Gina is from the city of Hamburg, located in Northern Germany, and she has one brother, 15 years old. She is living with the Barrios family in Maumee. Gina, a sports-oriented girl, played on the Senior-Freshman powerpuff team this year and found it very exciting. Of all the sports, she likes football the most and attends every game Maumee plays. She also enjoys swimming and baseball, and would like to play on the girls' softball team this spring.

Gina found the music in America different from that in Germany. Both she and Imy said their favorite music in Germany is called Raggae. It is a type of music with a lot of drums that originates in Jamaica. She also likes soul music and funk; her favorite groups being **Mother's Finest, Third World**, and **Genesis**. They said Americans are very lucky to have so many radio stations. In Germany it is "old people's music", with one hour of the day reserved for young people's music.

One of the more frequent questions asked of the girls is, "What is your favorite food in America?" Gina found hamburgers to be her favorite food, with peanut butter and marmalade at the bottom of the list.

Gina's religion is Evangelism. She likes to discuss religion and finds it very interesting. She has been to different churches in Maumee and says the freedom of choice related to religion here is numerous.

Imy is from Hannover, Germany, which is located in North Germany also, but is south of Hamburg. She has one sister, 1 years old, and one brother, 12 years old. Presently she is living with the Duty family on River Road. They have two boys and one girl. Imy is enjoying their company and likes the young children.

Her hobbies include reading, basketball, watching baseball, and swimming, and she's very interested in politics. Her major interest is theater, though, and she is currently taking theatre workshop and will take drama next quarter.

Like Gina, her favorite music in Germany is Raggae, Jazz, and Funk, but what she likes best is mellow music.

Imy's favorite American food is ice cream. She also likes the quick breads and cakes. She has no real dislikes, but found the pizza to be very thin here. In Germany the pastry is very doughy with a lot of fresh toppings.

Although she doesn't follow any set religion, Imy does believe in God. She doesn't follow any religion because in Germany at age fourteen the children are allowed to choose for themselves if they want to stay with the church. The association of communion with presents is common, and many stay only to receive the gifts. Imy felt it was not true belief in God if she were to receive communion just for the presents.

Imke and Gina hold flags representing their native land - Germany.

One thing unique with Germany is the drinking laws. At age fourteen, with consent of parents, children are allowed to drink in their presence; at age sixteen, they are allowed to purchase beer and wine; and at age eighteen, the purchasing of whiskey is legal. Although the legal age for drinking is lower there, the girls said that it is not abused as much.

Both girls are having a lot of fun in Maumee, and will be sure to have more before their stay is ended. The only disappointment comes from Imy, who says she was looking forward to seeing the boy cheerleaders at the powderpuff pep rally on October 8.

Scandinavian Visitor

New to Maumee High School and the U.S. this year is Marie Alvo. Marie is a foreign exchange student from Sweden. She enjoys Maumee very much because the people are so friendly. When asked about the food here, Marie said it was very fatty. They eat a lot more fish in Sweden and she could not believe the amount of chips, cheese, and peanut butter that Americans eat. Peanut butter was a new experience for Marie, she had never even heard of it before, and she didn't particularly like it. She also enjoys the music and television here, as she says that it is not very good in Sweden. Marie does not get credit for her year at Maumee, because the schools are so different. In Sweden they take about 13 classes, (but not every day), so when she goes back she will be about 7 classes short. That is why she will not receive credit. Marie found it strange that so many students drive to school. In Sweden you must be 18 to drive and it costs about $500 to get your license. But despite the differences between her country and the U.S., things are going well here for Marie.

Chemistry Chicago Trip

The newly formed chemistry club will make its debut on Tuesday, November 20, when they take a trip to the science museum in Chicago.

The students will be departing early Tuesday morning by bus and will return late that night.

This is the first time it has been a club trip instead of a class trip. The students paid 50c to get into the club, and then paid $17.50 for the bus. They will also pay for their own food while in Chicago.

The club is considering a trip to a museum in Toronto in the spring.

STUDENTS WHO WOULD LIKE TO RAISE MONEY FOR THE CYSTIC FIBROSIS FOUNDATION: The Bowl-of-breathathon is held at the Timbers Bowling Center on Saturday, November 24 from 9 a.m. to 5 p.m. All you have to do is secure sponsor pledges to donate one penny per point for your three game total. T-shirts will be given to those with ten sponsors and jackets to those with 35 sponsors, plus grand prizes from a deluxe stereo system to a trip to disney world. Pick up your sponsor sheet in the Guidance Office.

Student council float 2nd in annual Christmas Parade

Winter King and Queen finalists ride on prize-winning float in Christmas parade.

Congratulations to Council for taking second place in the local judging of the Maumee Jaycee's Christmas parade. The float was a red and white sleigh for the kind and queen finalists, carrying a Christmas tree with purple and gold decorations topped with a purple block.

To bring the Christmas spirit into MHS, Student Council sponsored this year's first-hour door decorating contest. First place went to Mr. Repp's class. They received doughnuts yesterday as a prize.

Candygrams (peppermint candy canes and a card) were delivered today in first and second hour. The cost of these candygrams were 25 cents and were ordered this past week in the cafeteria during lunch.

Santa Claus visited the high school this week during the lunch hour so all the students could sit on his lap and have their picture taken.

Good job Student Council for bringing the Christmas spirit to Maumee.

Social Studies teacher gets award from Mayor

One of our teachers, Mr. Krieger, is now serving his ninth year on the Maumee City Council. For this past year's service as a councilman, he has won the first Mayor's Award for outstanding services in the council position.

Mayor Arthur Buffington, who is now retired, feels that Mr. Krieger and Richard Huffman (another councilman winning the award) worked especially hard and performed their services with exceptional quality.

This was the first year for such an award, and according to Mr. Krieger, it can be won more than once.

We here at the **Panther** would like to congratulate Mr. Krieger on his fine achievement.

Honor Society to hold raffle

Buy your tickets now for the National Honor Society's "super raffle" and be in the running for not only the daily prizes but a grand prize as well! Tickets can be obtained during all lunch periods for only 25 cents, and buying one on any day automatically qualifies you for the January drawing for a 10-speed Ross bicycle or a cross-country ski set! So help out the Honor Society and win some prizes while you're at it - buy your ticket today!

'79 grads come back for tea

Yesterday, 25 1979 graduates returned to Maumee for the 3rd Annual College Tea. The Guidance Department, with the assistance of National Honor Society, made this year's Tea another successful gathering.

The idea of a Tea was started three years ago by Mr. Lyons of the Guidance Department. He got the idea from the high school where he used to attend. But he said that the way Maumee holds their Tea is very different from his high school. The only thing that is similar is the inviting of the previous years' graduates.

The purpose of the College Tea is to invite the graduates back to share their knowledge of college life with college-bound seniors. The Guidance Department obtained a list of last years' seniors who are presently attending college. An invitation was sent to each of these people with a reply required as to whether or not they would be attending. Mr. Lyons said that their goal was to get at least half of the college students to attend. He also said that the reason a lot of them didn't was because of final exams.

The returning graduates were asked questions about their study habits, the first year classes they had to take, living in a dorm, the food, the size of their classes and other questions. Then the graduates gave some advice about college.

Graduate Rich Holland said that he studies about 4-5 hours a day. Both he and Jeff Biggs advised the seniors not to take an easy senior year.

Happy New Year

May your New Year
be framed with love,
peace and prosperity.

Senior Sarah Wilkinson listens to [L-R] Nancy Carman, Debbie Kulczak, Steve Sager, and Pat Wood tell about college experiences at yesterday's College Tea.

Abdul Akl tells about his country – Lebanon

MHS Students from Lebanon L to R Hussein and Abdul Akl.

The country from where I come, Lebanon, is very small. In some parts of Lebanon, as in the mountainous parts, they have snow all four seasons of the year. But the weather is like the weather here in the United States. In the Southern part of Lebanon they have very warm weather and can grow all kinds of fruit and vegetables.

Lebanon is filled with tourists from all parts of the world. They come in the winter for skiing and in summer because of its beautiful weather. In Lebanon there are all kinds of religions practiced, except Judaism, because of the war between Arabs and Israel. Lebanese people are peaceful people but they have had fighting for the last five years, in a sort of Civil War.

They celebrate Christmas and New Year's Eve and their customs are much like those in the U.S. They celebrate the same holidays as here, except for Thanksgiving.

In Lebanon, a person can find many sports but the most popular are soccer, volleyball and basketball.

Lebanese schools are different from the U.S. For example, students there have to wear a uniform, and study either French or English as a second language in addition to Arabic. Schools there are more difficult than in America. A person has to study very hard to pass.

Clothing there is also different from the U.S., as they don't wear jeans very often, and mostly wear the European styles.

The television network is state owned and is for the public. It is the only one in Lebanon. However, a person can watch other programs from Israel, Syria, Jordan, and Egypt as well. The programs are similar to what is shown on American television. The state television gets the programs from the U.S. and France because these two languages are spoken and understood in Lebanon by everyone. Most movies are different from American movies as they are mainly Arabic - but there are some American movies that people can see.

In my point of view, American students are very friendly as well as lucky, and so are the people. The students have a better opportunity to learn than in Lebanon.

Food, clothing, cars, books, movies, and housing are very expensive in Lebanon. However, because it is an Arabic country, gasoline is not as expensive. One year ago, a tank of gas was about $3.00 American money.

Food is quite different, than in America. Lebanese always have bread for every meal. The noon meal is the big one and everyone has two hours to eat (not like Maumee High School).

In Lebanese schools we go in the morning from eight to ten (half hour break) - 10:30 to 12:30 (two hours for lunch) then back at 2:30 and out at 4:30, five days a week. Friday and Sunday off, but there is school on Saturday.

'Sound of Success'

The Captain introduces the children to Maria.

Musical Very Professional

by Gary Meek

For those who missed Maumee's production of "The Sound of Music", it was a rare display of talent not often found at the high school level.

Colleen Mahoney's energetic performance as Maria gave life and charm to the musical. Her sense of timing and ability to improvise kept the play flowing, as did the exceptional performances of all the Von Trappe children. Kim Cole was very convincing as the Baronness, and the chorus of nuns added its own special sound. The performances of the male characters in the musical were not as strong as those of the ladies; however, they were certainly more than adequate enough to maintain the show's high level of excellence.

The orchestra, under the direction of Mr. Burns, made a great contribution to the musical's success with a very professional performance. Their strong sense of discipline was a sign that they were well prepared for opening night.

The technical aspect of staging the event in the gym annex was another mark of excellent for the play. Interdepartmental cooperation made the entire event possible. From the stage and set construction to the sound and lighting system, it proved the power of a cooperative effort.

Sneak Preview

Preceding opening night's performance Friday was an assembly presented before the student body. Being the first performance in front of their peers, the young actors and actresses were a bit nervous and stiff. Neverthless, they performed well and received a warm reception from the students. The assembly provided revenue for the musical which was very expensive to produce, as well as supplying some crowd-attracting publicity.

All in all, the production was an overwhelming success, and congratulations are in order for everyone who participated. The effort put forth in staging this play is something that everyone from Maumee can take pride in. It was a special event, and one that many would like to see become a yearly tradition here at Maumee.

EASTER VACATION OR SPRING BREAK?

Easter is a Christian holiday whose date is determined each year by formation of the moon. As a result, Easter may occur anytime between March 22 and April 25, allowing vacation to range from the end of March to the first week in May. Thus Easter break occurs irregularly each year, making it a very hard vacation to plan around.

Because of this, many people, including those who operate the area's schools, refuse to plan their activities around the Easter holiday. For instance, this year the baseball team had six games scheduled for over vacation, girls' softball had three, boys' tennis had three matches scheduled, and track participated in three meets. Because of these events, those participating were unable to vacation during Easter. Instead, if they were able to vacation at all, they did so a week or two before the sports season began, missing school.

Teachers also find Easter vacation inconvenient. Besides all the a make-up work they must assign and grade, for those students who vacation early, they must also compensate for the 10-day Easter interruption which may divide the eighth and last week of the third quarter or the first and remaining weeks of the fourth. This was the case in Toledo this year where the first four days of the fourt quarter were isolated from the rest and consequently wasted.

The solution to this problem is a regular spring break to be adopted between the third and fourth quarters. This date is early enough to avoid conflict with the spring sports schedule, and because of its regular occurrence will be much easier to plan vacations around. This is the system already used by most colleges and universities because of its practicality, and it would be the best system for Maumee.

Quiz Team Defeats St. Francis in Wednesday's Match

On their way to Channel 13 are Quiz Team members John Estell, Shelli Labahn, Mike Peirce, alternate Dan Balzer, Sue Ewing, and alternate Dan Stewart. If they win again on April 30 they will be in the final round for the championship.

In a taping Wednesday afternoon for showing Sunday, May 11, the Maumee High School Quiz Team came back in the second round for a 340-270 victory of a tough St. Francis team in the High School Quiz Contests.

In the first round of the competition, St. Francis led with most of their points gained by senior Jim Chenault. Maumee slipped behind by 40 points. At the end of round one, the score was 210-170 in favor of St. Francis.

Maumee quickly regained pace with correct answers to history, mythology, and chemistry questions. At the end of round two and the game's end, the score was 340 to 270 in Maumee's favor.

Remember to watch this show when it is aired on Channel 13 on May 11 at noon. The next match for our team will be against Napoleon on April 30 as the competition narrows down to the final playoff.

Math Students Do Very Well

On March 22, almost 4,00 students from 151 high schools Northwest Ohio participated the Greater Toledo Council Teachers of Mathematics test.

A number of Maumee studen were among the 4,000 compe tors and two seniors ranked 2 and 3rd in Senior Math, An Smith and John Estell. Othe placing and winning monetar awards as well: Rich Telljohan senior 9th in Senior Math; A Kwiatkowski 28th in Seni Math; and Melinda Stivers 43 Senior Math.

Two juniors Kent Buehrer a Amy Skeels placed 45 and 55 Algebra II, and, there were s freshmen placing in Algebra Jim Raden 7; Lisa Lentz 29; Mi Pauken 29; Sean Cullen 51; D Stewart and Bill Partsch, bo 121.

Mr. Krieger Leaves Maumee After 14 Years

Accepts new position . . .

Mr. Richard A. Krieger resigned his job as a government teacher here at the high school in order to assume a new position as City Administrator-Safety Director for the city of Maumee.

The job is a new position created by city council after two and a half years of discussion on the matter. They decided to make the move when the former safety director retired. The job is bureaucratic and non-political, which makes Mr. Krieger happy because as he says, "The essence of government work is having qualified people in the bureaucratic positions." Basically, the new job entails coordinating the four departments of service, safety, finance, and law.

M rieger looks at his new job as a career move, but he admits at times he will miss the classroom. "I got to work with a lot of super kids, and I think that helped keep me young and on my toes," he said. He says he doesn't know what the future holds, but he has "no political ambitions at this time." (Sorry to the draft DOM for President movement.) When asked if he might return to teaching, he said he would like to keep his future open for right now.

Mr. Krieger leaves Maumee after 14 years of service. He began here in 1965, but took a year's sabatical in 1968. He was an assistant basketball and track coach, and an advisor for the National Honor Society.

The Panther would like to wish Mr. Krieger good luck with his new job, and in the future.

Replacement Hired

Replacing Mr. Krieger as the new government teacher is Mr. Michael Martin of the social studies department.

Mr. Martin finished his student teaching at Whitmer, and will be graduated this June from the University of Toledo, where he is a social studies major.

This former graduate from Woodward High School has held such previous occupations as working at the Jeep factory and the UT library.

Mr. Martin says he believes that he will honestly like it here.

"Maumee has a good currieulum and the staff seems very helpful and friendly. I think the students are fairly mature and interested in what is going on in the society."

Mr. Martin also enjoys jogging 4 to 5 miles a day.

The student body of MHS would like to welcome Mr. Martin to our staff, and wish him the best of luck in his position.

Mr. Martin busy at the duplicat in the lounge.

56 Students Participate

Teachers Surrender Jobs as Students Take Over

Youth in Education Day was held May 21. Youth in Education is the day when students take over the administration and faculty jobs. To be eligible to take over a teacher or administrators position a student must take out a petition and have 25 seniors sign it plus the teacher or adminstrator whom the student wishes to replace. If more than one student takes out a petition for the same teacher or administrator, the students names go on a ballot and the seniors vote on who they wish in the position. Approximately 56 students participated in Youth in Education and besides being a fun day it gave the students a good insight to the teaching and administrative jobs. The following are all those who participated.

Mrs. Arquette - Cathi Heinze; Mr. Arthur - Diane Haskins; Miss Ash - Penny Weckle; Mr. Black - Phil Brown; Mrs. Bock - Lori Ciamacco; Mr. Boyles - Mark Zawodny; Mr. Brick - Lindy Hoffman; Mr. Burns - Rick Nesbitt; Mr. Cellio - Sharel Schweitzer; Mr. Conroy - Jodi Forrey; Mr. Doak - Ed King; Mr. DuGai - Abby Osborn; Mrs. Euton - Amy Hoffman; Mrs. Fink - Kim Rodgers; Mr. Fitzpatrick - Ricki Gierying.

Mr. Foreman - Brad Foreman; Mr. Hafemann - Sarah Oliver; Miss Healey - Michael Peirce; Mrs. Hess - Kim Cole; Miss Huffman (P.E.) - Dianne Anderson; Miss Judd - Diann Micka; Mrs. Keller - Shari Robinson; Mr. Kikolski - Ellen Cleghorn; Mrs. Kohler - Kelly Kitzler; Mrs. Kretzinger - Lisa Ash; Mr. Kristenak - Tony Pauken; Mr. Kuntz - Dave Mermer; Mr. LaFountaine - Jenny Hofstetter; Mr. Lauber - Dawn Dennis; Mr. Lowry - Linda Brassil.

Mr. Kuntz gives some last minute suggestions to his "double" for the day, Dave Mermer.

Mr. Martin - Lori Banyas; Miss McConahey - Shari Thiel; Mrs. McCormick - Teri Biggs; Mrs. McGuire - Vince Weis; Mr. Molter - Teri Kuhl; Mr. Morin - Lori Streiffert; Mrs. Myers - Ginnis Schiller; Mrs. Norcross - Eric Jordan; Mr. Osnowitz - Rhonda Wilson; Mrs. Parker - Mary Mitten; Mrs. Peio - Lee Ann Bires; Mr. Repp - Mike Huber; Mr. Roman - Dave Metzger; Mr. Ryu - Jodi Haney; Mr. Schlaefer - Karen Davenport.

High School Quiz Team Wins Channel 13 Championship

For the third time in the last four years our High School Quiz Team was in the semi-finals for the Channel 13 Quiz Bowl Championship match. Out of 40 schools, the two best teams, which were Maumee and Ottawa Hills, were selected to compete against each other on May 14.

And for the second time in the past three years, Maumee has won the Championship in the final game, the most prestigious honor for a Quiz Bowl team to earn in the Northwestern Ohio area. Our team is the recipient of a $250 scholarship, which will be used toward something beneficial for M.H.S. Each member also received an engraved trophy.

It was a very challenging game that was played as Maumee and Ottawa Hills were neck and neck throughout the first half and tied with a score of 140-140.

During the second round, Maumee slipped behind slightly, but the score was again evened when Kirk Prindle (Ottawa Hills) caused a ten point loss for his team with an incorrect answer. John Estell answered the question, picking up ten points and continued to improve Maumee's score as did Sue Ewing and Mike Peirce. Although Andrew Shields (Ottawa Hills) gave the correct answer for the last question, they could not top Maumee. Our Quiz Bowl team won 210-130.

The 1979-80 Quiz Bowl team was composed of three seniors; John Estell, Sue Ewing, and Mike Peirce, with Shelli Labahn, and alternates Dan Balzer and Dan Stewart. Congratulations to the M.H.S. Quiz Team, to advisor Mr. Arthur, and especially to the departing seniors.

SUE EWING

Sue Ewing, who has been with Quiz Bowl for four years, will be studying at Kent State University. As of yet, she is undecided on her field of study. Sue has been in Orchestra all four years, a member of the Ski Club and National Honor Society (of which she is now president), and was in Alliance Francaise and French Club also.

MIKE PEIRCE

Team captain John Estell will be attending the University of Toledo this fall. John will have a double major, as he will be studying both electrical engineering and computer science and engineering. During his past four years in high school, John has been on the chess team, in the computer club, has been involved in the science fair, has been a two-year National Honor Society member, and on the Quiz Team all four years.

Harvard Book Winner Named

Yesterday, Jon Helyer was named as this year's Harvard Prize Book winner from Maumee High School. The award presentation was made by a Harvard alumnus, and Jon's name was engraved on the cover.

The book is an award given by the Harvard Club of Toledo, although the actual selection of the winner is made by Maumee High School's administration. The prize is awarded to an outstanding junior who has shown intellectual originality or independence, has a wide range of extracurricular activities, and displays the highest standard of quality in all forms of activity.

The book is a collection of the best writing about Harvard by men such as William James, Cotton Mather, and Oliver Wendell Holmes to mention a few.

Mike Peirce plans to major in computer science and business administration at Rensselaer Polytechnical Institute. Throughout high school, Mike has been on the chess team, in the computer club (of which he is president), ski an explorers' club, was involved in the science fair, has been a two year member of the National Honor Society, and has been with Quiz Bowl for three years.

Jon Helyer proudly displays the Harvard Book Award he received yesterday, presented annually to an outstanding junior.

Board Members: Thomas B. Baker, Arthur H. Smith, President Mary N. Connell, H. Richard Kelly, and Lawrence L. Conrad.

School Board

The members of Maumee's Board of Education are public education officials who are dedicated to the idea that Maumee's youth deserve the best education that the community can provide. They are constantly working on ways to insure that every young person in the community receives as much as he or she can from our schools.

As the legal agent of the state, the local board is the only organization in our community responsible for establishing school budgets, setting goals, hiring personnel, providing facilities and equipment, approving contracts, and many other matters involving school policy and operation.

School Board members are not normally professional educators. That is the role of the superintendent, the principals, and the teachers hired by the board. Board members come from all walks of life, but they have one common characteristic: they are laymen in education just as the citizens in the community they represent.

Mary N. Connell, board president this year, is an admissions counselor and political science instructor at the University of Toledo, who enjoys reading, writing, music (she sings), pottery, and travel (she has camped all over the West Coast and throughout the Rockies.) She also runs three miles a day.

Mr. Thomas B. Baker, is Superintendent of the Lucas County Schools and enjoys tennis, golf, swimming, and attending sports events.

Lawrence L. Conrad, has been a board member for almost 20 years. He is sales manager for the Prudential Insurance Co. and in his leisure time enjoys golf and tennis.

H. Richard Kelly, has been on the board for eleven years and is a practicing dentist in Maumee. His spare time interests are sports, particularly golf.

Arthur H. Smith will complete his tenth year as a member next January. He is an attorney for Owens-Illinois, Inc. Mr. Smith enjoys sailing, skiing, and travel.

Dr. Fred J. Rolf started with the Maumee educational system as a teacher in 1950 at Union School, becoming the principal in 1953. Six years later he was appointed Superintendent of Schools and for the past twenty-one years has continued in that position. Dr. Rolf believes, "Education is to be one of the most treasured accomplishments one can achieve. It continues for a lifetime. As time passes, the value of an education will become more and more apparent." His leisure time activities are travel, reading, and sports.

Dr. David C. Abbott began employment with the Board of Education two years ago. One of his major projects for the schools has been establishing the program for the gifted and talented. His hobbies and interests include skiing, tennis, and reading.

Jerrold E. Meyer has been Clerk-Treasurer of the board since early in 1969. His hobbies are jogging, golf, tennis, swimming, bowling, and water skiing.

Superintendent Rolf

Assistant Superintendent Abbott

Treasurer Meyer

Associate Principal Edward C. Osnowitz, Principal Lee A. Black, Assistant Principal Randy L. Kuntz

His outside interests include books, records (he has a huge collection), running, and cheering for his favorite team — Michigan.

Mr. Osnowitz was appointed Associate Principal in 1973. His duties involve discipline for freshmen and sophomores, attendance, demerits, and administration of the Pupil Personnel office. Mr. Osnowitz holds a Bachelor of Science Degree from Kent State, an M.A. from Eastern Michigan University, and an Education Specialists degree from the University of Toledo. He also announces sports events, officiates high school basketball games, plays tennis, and collects antiques.

Mr. Kuntz came to Maumee in 1969 as a teacher of mathematics and football coach. He was appointed Assistant Principal in 1977 and is responsible for junior-senior discipline. He supervises Intra-murals, and extra curriculum activities. He also started the fishing club this year. He has a B.A. from Purdue, and a Master's degree from the University of Toledo. He enjoys sports and his favorite activity is fishing.

1979-1980 Accomplishments: Visitation portion of North Central evaluation; format for course of study revisions; formalization of teacher evaluation; development of Departmental Chairperson's role; planning of administrators time; budget evaluation; support for student involvement in state and national competition, formulation of policy to reduce student vacation time out of school; and the implementation of the gifted and talented program.

Service With a Smile

1st Row: Wilda Marsh, Wilma Miller, Myrtle Layman, Violet Ridenaur, Betty Quigg. 2nd Row: Bill Bergman, Art Spiess, Don Fitzpatrick, Joyce Grau, and Harold Doak.

These are the friendly, courteous people who make life easier for all of us. They are constantly working to make the halls, rooms, buildings, and grounds of Maumee High School a cleaner, brighter, better place to work and study.

Mr. Fitzpatrick, head building engineer, joined the staff this year. He is here every morning bright and early, firing the boilers in winter, cutting the grass in summer, and supervising his staff.

Mr. Spiess, night supervisor, takes care of most repairs, checks the vents at night, and supervises the cleaning that goes on while most of us are away.

Our custodians, matrons, and maintenance personnel clean lights, replace broken and worn-out equipment, clean the classrooms, restrooms, and hallways, wash windows, clean the carpets in the library, shovel snow in winter, sweep the hallways and do a myriad of other tasks to keep Maumee one of the best maintained schools in the state.

Our cafeteria staff is constantly seeking ways to improve the menu making certain it is nutritious and well-balanced, and served in a most pleasant way.

Penta County

Pena County Vocational High School and Skill Center was established in 1965 and was designed to teach skills that will not only help those students who plan to work after high school, but also those who plan to attend college.

For the student who plans to work after high school, Penta teaches the skills required for employment, prepares for various training or apprenticeship programs, and provides actual work experience with pay in some classes. Penta students earn a high school diploma while they learn an occupation.

Penta also has many benefits for students intending to go to college after graduation. It will help round out college requirements in programs such as electronics, and drafting, give the student a skill that could give employment if college plans do not work out, and gives students a head start in learning skills that may be needed for a future profession.

Penta offers both one and two year programs, and there are a variety of courses offered. Students may choose from Agriculture, which includes Small Engine Repair; and Horticulture; Business Office Education; Distributive Education; Home Economics, which instructs students in such fields as Child Care Aide and Food Service; and Trade and Industrial Education, which takes in Auto Mechanics, Carpentry, Cement Trades, Cosmetology. Radio and TV, Welding and other related courses.

MHS BOOSTERS CLUB

The Maumee Booster Club is an organization made up of members of our community. Its purpose is to aid various athletic activities at the high school by providing uniforms, equipment, and other necessities needed by each sport.

The club was originally organized during the 1950's with the intent of aiding football only, but since then has grown to include all the sports at our school. Although much interest is still given to football, each year $100.00 is donated to every sport, and the Boosters are very generous when additional money is needed.

The Boosters also take an interest in high quality facilities. Because the club has pushed for the building of a new press box for the top of the stadium, this past year, the 1979 football team, and the 1980 girls' and boys' track team, along with the fans, were able to enjoy a fine public announcement system, while the administrators and student help were able to sit in comfort while they tallied scores and recorded statistics.

The officers of the MHS Booster Club were as follows:

President — Dick Teets
Vice President — Larry Hughes
Secretary — Eileen Backus
Treasurer — Jim Adams
Board of Trustees — Frank Molinaro
Gean Cole
Jan Kuhl

Are you a Booster member? If not, make sure you make your $10.00 donation this year and become a gold card member, as did the many people and businesses listed below and on the opposite page.

C L I N I C

Besides being a lot of fun, putting together this yearbook was hard work, yet I loved every bit of it. But without the help of some special people it would have been impossible.

I don't know how to thank Mr. Stephens, our advisor, for all his time and work. I just want him to know how much I have appreciated him throughout the year and have truly enjoyed working with him.

I would also like to express my appreciation to Mr. Arthur, Mr. McDaniel, Mr. Lowry and Mr. Kramer for all their help by taking pictures, developing film and dropping film off at Powell's studios.

Thanks to Mrs. Meyer's Technical Theatre class who made the set for our organizational pictures.

A special thanks to Mr. Steve White, our Taylor Publishing Co. representative.

A special big thanks to Shari Robinson, Lori Thomas, Diane Haskins, and Sue Green my assistant editors whose help I really appreciated. And to Beth Turner who helped out a great deal at the end of the year when I really needed it.

And of course an enormous thank you to all the rest of this year's Reflector and Reflector Business staffs for making it a good year!

Thanks Again!
Editor-in-Chief,
Penny Weckle
